Sir

We will need blanks for monthly reports
for the present month which please send us
at your earliest convenience.

I would respectfully call your attention to the
propriety of permitting us to make reports
for two months supply instead of one. I am sure
the Medical Director will acknowledge the necessity of
such provision, when he is familiar with the
difficulties attending the transportation of our supplies
for such a great distance.

The attention of Gen Surg of Brigadier has been
called to our situation in last volume; of Med Officers.
I promise a perfect one, for the present month.
The Texas Brig has an infirmary in this place,
which will be made as efficient as circumstances
will permit of.

I am willing to the Gen Surgeon of Brig & concerning
a quarterly report of sick & wounded & dying in the
the present month, I am unable to state that they
will be able to make this report.

Sir

In view of the difficulties attending the
procurement of 2000 lbs of medicine & supplies
I have called your attention to the fact
of our being able to purchase, with government
cotton, all of the most valuable & necessary articles
for first & second aid, with the greatest facility & saving.

There is an individual very near us, who is
in possession of one hundred & fifty pounds of gunpowder
and as much sulphur, & who is anxious to take
cotton, at the highest rate, in exchange for such
articles at the market value in the Confederacy.

I am not in possession of the exact terms of his
proposition for an exchange, but can readily ascertain
the necessary facts, should the matter need the sanction
-- an endorsement of Genl Lee or other appropriate authority
by. Submit the matter to Genl Lee, and inform me
of his decision, & of his instructions in the matter,
and I will immediately to deal for all the goods within
my power to obtain in exchange.

I have the honor to be

Yours Obediently

Sir

Your letter dated October 15th 1862 and enclosing remarks made upon my returns for May to December 1862 was received by the last mail, having been remailed in the army of Northern Virginia and sent to this place.

The question is asked under the remarks for May, Where did you get your balance on hand at the beginning of this month? (May)
I answer that it was gained in issuing in the last issue in April.

The question is also asked were you acting as A.C.S. before May 1862?

I answer that I drew and issued provisions on provisions returns Form (14) twice in April 1862 as Acting Assistant Commissary of Subsistence, I think, between the 20th and last of the month. I was appointed on the 18th of April 1862, but did not receive the notice of appointment until the 18th of May.

Abingdon Va April 21 1862

My dear Sir,

I have so far regained my strength as to get on to this place, where I shall remain a short time, so as to prepare my reports &c, and will then proceed to Richmond.

I have all my vouchers in systematic order, and it is my hope & expectation to present a report of my Comd of action, which shall be approved for both uprightness & economy. It has been a source of much unhappiness, that my reports have not squared with the regulations, but there has been impossibility - up to the time of my attack of Rheumatism. I was so constantly engaged in Army Administration, that I could not make reports - I could not have done so without an experienced Clerk, & then without my aid it was impossible. I have expended \$30 ^{above} clearing my whole service in Clerk time, & have had no blanks or stationary, except a few quires of paper you furnished in last October. If I have been tardy in reprint, I feel assured that my settlement will be satisfactory in purpose, if not in form.

Very Respectfully

Returns Reports of his
operations as 68. corrected
with explanations

Rec^d 14th May '62

Richmond 13. May 1862
Col L. B. Northrup
in y. Genl C. S. A.

Dear Sir,

I return The reports,
abstracts & vouchers of my operations as
Mr. ^{Commissary} ~~of the~~ of the Command's of Colonel,
now Genl Jno. S. Williams, & Genl. H. Marshall,
which I am sure are correct in substance
as I believe, though there may be some
defects of forms -

I commenced business in Sandy near Prestons
burg Ky, on 28. October ¹⁸⁶¹, & my successor Major
Higginbotham - commenced duty about 20
of April 1862 -

I was ignorant of the forms of business, had
no blanks to guide & aid me, and had to pick
up stationery as I could in the mountains -
We had no scales, steel yards, or measures,
except such as we could borrow, or pick up
temporarily - no ^{bread} subsistence for a long
time, except a small amt. of flour, & the corn
meal which was gathered from small strips
of fields, shucked, shelled, & took to run in
the mills in the mountain streams -

My purchases of meat were of necessity
mostly on hoof, & the weights ^{mostly} guessed -

My purchases were made as I believe,
in the most economical manner, and
issued as well as we could under the
circumstances - We had no rations
except meal & bread until near the
1st of January, & then to a small
extent in sugar, coffee, peas, rice, soap, &
candles -

Four days after I got to camp near Preston, b.
we were compelled to retreat to Pikeville, &
again in a few days to Pound Gap.
About the latter part of December, Genl Marshall
marched as far as Paintsville Ky; and
about the 6th or 7th of January 1862 was
compelled to retreat into Bergen, for
want of subsistence -

These marches & retreats, rendered it
impossible to have regular requisitions, &
issues & receipts for subsistence -
all my time was taken up; as well as
that of my assistants; in procuring
meat & bread -

Col Williams has furnished me
with a certificate, which fully explains
the difficulties, under which we laboured.

My vouchers for expenditures,
will be found to exceed the money
furnished me on Comd^y account -

There are some few vouchers, which
concerning Comd^y & quarter masters
particulars, the result of ignorance in
the commencement of my business.
The substance is right, altho not accord-
ing to form.

Col Williams's Certificate supplies all
defects as to requisitions & issues to the
army - He states the number of
soldiers, & animals to be fed, and
that I fed them fully - The rations
for the number of months, & for the
time they had to be fed, will exceed
my purchases - The prices paid for
bread & meat were very cheap.

We suffered considerable losses in
company stores at Pikeville, and
Paintsville & the receipts from those
places, which are set forth in the
certificate & statement of W. H. Barnes
Regt. Commissary of S. Williams, Capt.

I turned over to the Comdr. at
Livingston (Capt Alderson), upwards
of 76,000 pounds of salted pork
ready to hang up, a very good article -

I hope that my accounts will
be examined as early as possible,

I am constrained to leave for
Cincinnati, being elected provision
Genl. of the 1st. Regt. of the 1st. Div. of the
Army killed at Battle of Shiloh.

I have drawn no pay -
The duties of Dr. M. were imposed on
me in addition to those of Comdr.

I have filed my accounts with
the Dr. M. Dept, and placed
money in the Treasury to cover my
small debit with that Dept -

Hoping that my accounts may
be satisfactory, I am
Yours

sorrow, but I hope with the deepest
that I hear of the proposed resignation
three of our dear Kentucky Regiments,
in Friday last - I know that you &
other survivors will do all that is pos-
sible with the worth the feelings, of
the friends, of the dead.

We hope at some future day to
gather these survivors, & reman-
ders the same common committee
in our beloved State if indeed
we shall be permitted to return
to it as Freeman, but if otherwise
then in some more congenial
spot to be chosen by a general
conference - In the mean time
would it not be desirable to
deposit the remains of our dear
friends & relatives, to their
longer identification, & before the
a more auspicious time
gathered together
Capt. Burroughs will send you
the same possession of my dear
friends & relatives, our own lot?

Trusting as far as we can with
present resources, how can we with
Regiments, which have suffered
so grievously, be filled up?

At Home, Tenn. March 16/63
Genl J. C. Breckinridge

My Dear Sir,

I send by Doct. Hughes
some copies of an Address prepared for
distribution in our State - I thought it
probable that Genl. Morgan may not
have an opportunity to drop some
of them with our people -

I have seen & heard from many persons
from Ky, and their testimony is undivided
only in intent, as to a decided change
in public sentiment among our people
in favour of our cause - The leading
Union men are however struggling by
every device of bribery, intimidation,
and a seeming opposition to Lincoln's
anti-slavery policy, to control the State
Government, and to win over our
people to a Northern alliance -

Their evident scheme is, to appear to
defend Slaves property, & to maintain
the Constitution, while the Slave interest
is being gradually sapped, and every
attack on the Constitution & the rights
of the States is defended or excused
under the old Union subterfuge -
The main battle for the possession
of our State is yet to be fought -

If we could manage to throw our
some other forces into the scale in
June & July, remain in a large occupancy
during the August elections, and roll
up a large vote for a Southern Legislature
to their officers, and at the same time
~~have a convention~~ also have a convention
ordered, I think our victory would be
practically accomplished -

Our friends are differing as to the
mode of meeting the affiliations
tendered by the democratic party in
the Southwest - The leaders in these
movements in their public demonstrations,
are divided as to ultimate purposes.
Some are our true friends, while others
purport to oppose secession but as the
best means of reestablishing the Union.
I think our friends, especially in
Congress, should encourage the movements
in the S. West & that they should not place
barriers against its union with the
Conf. States which would dampen
the zeal of our friends - My present
judgment is adverse to a forerun
in that direction beyond the Ohio
river, but I feel that we should
submit that matter to our Southern
friends, who are not so much

under the warping of material
interests -

What think you of preparing
our Govt. for a strong invasion of the
in June or July, under the command
of all of our big Generals, and
carrying with us strong appeals
in the shape of printed addresses
from our Generals, members of
~~Congress &c.~~ and backed by the
most imposing military forces?

We hear of large desertions, and
great demoralization of Federal
forces - We know not how the
people of the South will respond
to the Southern Conscription -

What, and the imposition of taxes
will test the Southern mind.

I very much fear the result.
Reasoning from my own feelings, I
cannot believe that the South would
agree to a peace, which ^{would} leave
for them such a miserable
Historic record as the post
would make. ~~for the time~~

Excuse this rough scrawl which
is written under pain from a severe
affliction which has confined
me for more than a month -

In obedience to an Order from

made because of Lieut Hawkins fitness, merit  
and competency. I have this day been in-

of my September Return and

May Returns were not to hand. In reply I have  
to say that I was not in the commissary Dept. at

in March by order of Surge, and I was ordered  
by Col. Walker Comdg Reg. to report to Fort

March were then duly forwarded. About the  
1<sup>st</sup> of April you will find that I sent you a return  
turning all the stores I had on hand ~~and~~ to suit  
yourly. After I reported to Fort Sumter I was  
ordered to Sullivan Island Braunsgard Battery,

until the 1<sup>st</sup> of June since which I have made

2d M Department, Palmetto Brigade,  
New Tunnel Hill 11th December 7th 1863

General

For reasons hereinafter stated I respectfully  
tender my resignation as Major & Quartermaster C.S.A.  
First. The withdrawal of the 2d Quartermaster  
from all the different towns and R.R. Stations near  
the enemy's line, has thrown more of them upon the  
Department than can be profitably employed in its present  
contracted limits, and the excess constitutes an unnecessary  
expense to the Government.

Secondly - My health has been so bad for the  
last few months that I have been unable to attend to  
the duties of my office and have not acted officially  
since the 1st of August last.

Thirdly - My advanced age, being now in my  
fifty-second year, and having served in the army since the  
summer of 1861, and the one to withdraw from the efforts  
and fatigue of another winter campaign.

I certify that there are no charges pending  
against me that will affect my pay, that I am not in  
arrear with the Confederate States on any account whatever  
and that I have no public property in my possession  
which has not been accounted for.

Army Term

Major J Hawkins, 2nd Polk's Brigade, having applied  
for a certificate upon which to tender his resignation, I  
hereby certify that I have carefully examined this Officer  
and find him suffering from General Debility - the effect of  
Gonorrheal inflammation of long standing, which in my  
opinion unfit him for the duties of his office. About the  
latter part of July last I was called to see this Officer who  
at that time was suffering from a violent attack of the  
above mentioned disease, which did not yield to the remedial  
agents at my disposal and necessitated his removal to Hos-  
pital. I further declare my belief that he will never be  
again fit for active service in the field and respectfully  
recommend the acceptance of his resignation.

The Brigade Master  
Master has ever been appointed for the Brigade  
commanded by me. I would respectfully  
recommend Thomas Hawkins for that position.  
He has been acting as such since the 1st July  
1861. I would ask that he take rank from  
that date. He has proved himself one of  
the most efficient Officers in the Department.

I have the honor to be

Mr. A. H. Cole  
Care of Capt. J. L. Simpson  
Richmond Va.

Dear Sir

Yours of yesterday's date is this moment received, and contents duly examined. The Depot at New River was established for the purpose of collecting forage and if necessary (should enemy Captain Weldon and Gordon No. 6) to put on a line of forage from that point on N. C. Rail Road to the Richmond & Equine Road.

Keep them only for forage (16 miles) and then horses for the purpose of securing forage, when we have now on hand some 130,000 pounds.

Capt. Shickland at Millboro N. C. only sixteen miles from New River, is being in his District, I thought and to the interest of the Government to transfer the depot to Maj. Linn at Raleigh that he might place it in charge of Capt. Shickland, as Maj. Linn having more sufficient and needing miles at this point for the purpose of handling forage, I deemed it necessary to withdraw them to this

and allow Mr. Bice and Capt. Kirkland to come  
to their surplus stock for their purposes.  
The best point in Capt. Kirkland's District, I think for  
Collection of Forage, with all the necessary buildings  
storing in and taking care of his teams and I  
believe his horse is being kept up for that purpose and  
the heads of Capt. Kirkland  
is at this time in the vicinity of the Depot a large  
quantity of long forage - some of it baled and a  
good deal in the hands of Speculators not dis-  
posed to leave it it may be necessary for Capt.  
Kirkland to interfere.

Very Respectfully  
Yrs. Obedt. Servt.

We are entirely out of  
Block Tin and know not where to get  
it. It is an indispensable article to Rail  
Road Companies. Our brasses babbett metal  
& solder have run down to a low point.  
Can you aid us with 200 (two hundred,  
pounds <sup>or more</sup>) of Block Tin? We will pay  
for it in any way you may demand.  
Your early attention will much oblige.

Richmond, Jan. 10. 1862

Sir

Your letter in regard to the claim of Wells A. Hawks for the value of a horse impressed into the service and injured therein so that he died, has been received.

Upon proof that the horse, while in custody of Agents of the Government, was so carelessly managed, that his death ensued as a result of that carelessness, the Quarter Master's Department will pay to the claimant his fair appraised value.

When property is taken from the possession of the owner, it is due to him that it should receive the ordinary care which a prudent man bestows upon his property; and if from want of that care the property is lost, it is but simple justice that the owner should be compensated for the loss thus sustained.

With this statement of the views of this Department, Major Haman will reconsider his action and take steps to ascertain, by satisfactory evidence, the justice and validity of the claim of Mr. Hawks.

Letters Received  
A & I G O,

Major General Montgomery  
Chief Clerk  
Adjutant General's Office  
Washington  
July 7, 1863

My residence being on Red River in  
Louis County & State of Ark. I have a large plantation  
interests now only managed by one person, no one being  
authorized to act for me in any way whatever, my business  
being entirely in the hands of my plantation, I having  
other heavy unincumbered business outside of my plantation, I have  
now wholly neglected business to others as well as myself  
in a pecuniary point of view, I have the highest regard  
for a transfer from this Department (No. 2) to the Trans-  
port Department I would hope this request upon the ground  
that the present mail facilities & the other points of view  
the enemy make communication very irregular. I have this  
sometimes entirely void between this Department & the Trans-  
port Department. As much as that it is wholly impracticable for the trans-  
action of business.

Originally I volunteered as a private with troops mounted  
in the service from my county & was transferred when promoted  
to the rank of Director of the Army of the West to the Army of  
the West, my consent.

Having now nearly eighteen months neglected every interest  
I have that of my plantation & other interests, I have  
a great length to extend over 1500 square days & that but  
which has refused as it was that upon private business &  
a long time ago. It is to be inferred that my request  
for a transfer will not in this instance be refused as I am willing  
give all aid possible to the Department of State of Ark. & when  
I am so as without other view to myself & family -

Respectfully  
Very respectfully,

Dear Sir.

Col. A. S. Lott  
is just starting for Richmond this morning, and I thought I would take the opportunity of writing you a few lines. The movement inaugurated by yourself and Gen. Fagan, viz. raising an Army for the defense of the State, has succeeded wonderfully. In the Counties through which I traveled, there has been quite a revolution in public sentiment. Old men and boys have volunteered, with scarcely an exception. The effect upon the army, and upon the Country generally, in all those Counties where Old Men's Companies have been raised, is indeed astonishing. Absentees are pouring in to their Commands every day. Our old veterans, who never flattered in the hour of trial, are beginning to look gay and hopeful once more. The tide of emigration to Texas, has almost entirely ceased. In short, the Army has greatly increased in numbers, and in confidence, and the people have rallied around their fire-arms.

determined to defend them to the last extremity.  
We have succeeded in raising a larger  
Brigade, than Gen. Fagan's old Brigade.  
Col Robbins will not stop in Rich.

Col. Robbins will not stop in Richmond but a few days; and I would be very glad if you would write to me by him. I would like to hear what progress you have made with my matter, and whether you have any assurances of ultimate success.

Should you succeed, and there is any com-  
mand in Gen. Hardie's Corps, to which I could  
be assigned, I would prefer being sent there;  
but I am willing to serve any where, or under  
any leader. I desire to do all the good I can  
wherever I may be placed.

Very respectfully

I desire to present the name  
of Colonel A. J. Hawthorn of Arkansas for promotion  
to Brigadier General. Col Hawthorn commanded the  
6th Arkansas at the battle of Shiloh, where he  
was distinguished for his gallantry and good conduct.  
He served under my immediate command for  
a year commencing in Arkansas in the summer  
of 1861, and terminating at Chattanooga in the  
summer of 1862. He was always zealous, active  
& efficient in the discharge of his duties, and  
the Government by promoting him will reward  
a deserving officer.

Allow me to  
recommmend to you for promotion to the office of Brigadier  
General, Col A. J. Hawthorne of my Command.

Whether the length  
of time he has been in the service, the number of engagements  
he has borne an active part in, the gallantry he has  
 invariably exhibited in the service he has rendered in camp  
be considered, his claims are certainly preeminent.

Col Hawthorne has  
won the esteem & confidence of our entire people, citizens  
& soldiers & his promotion would be hailed with pleasure  
& delight.

I can say in all candor Genl, & it affords me  
pleasure to state, that I know of no more worthy &  
deserving applicant for promotion. His promotion would  
secure to this Department a General officer, & the services  
of whom there is now pressing need.

Major Gen. W. J. Hardin

Commander 1st Regt

Mississippi

Dear General

In consequence of a recent conversation with Major Gen. Hardin, I have been induced to take a liberty as one of your old soldiers, and write you a few lines. It was my great fortune while under your command, under the colors of your uniform that was not readily parted, and if this request I am now about to make be more than you can consistently or conscientiously refuse, I hope you will let them matter pass into oblivion, and still retain for me those kindly feelings, which it will always my pride to think of in relation towards me. I have now to detain you for a moment with an short account of my doings since I was released from duty at Chattanooga in August last, and from there to Rich-  
mond. The members of Congress from this State are preparing to present a memorial to the President asking him to appoint me a Brig. Genl. I have been in communication with you from time to time, and in compliance with your

The Regiments, lately under my Command, were  
filed with the Memorial in the War-Department.

Not wishing to remain idle, I came im-  
mediately across the Mississippi, - reported myself  
to Gen. Hindman, - was appointed Major of  
a Battalion of unarmed troops - Two weeks  
after was elected Colonel of a Regiment  
whose Commanding Officer had resigned; and  
one month from the date of my election  
took part in the desperate and hard-fought  
battle of "Prairie Grove," where I had the good  
fortune to elicit the special notice, and receive  
the most flattering compliments, from Generals  
Hindman, Sharp, and Frazar. I was fortu-  
nate enough to retake ~~Black's~~ Battery, (which  
had previously been captured by the enemy) after  
a most desperate and bloody struggle, in  
which I lost nearly one half of my Officers  
and men. My Regiment made five successful  
charges during the fight, in most of which  
the enemy stood their ground until we  
were within thirty paces of them, when they  
gradually fell back, disputing every inch of  
ground bravely, in the most stubborn  
and determined manner. The fighting  
was of the most desperate character  
and the result was in our favor.

enemy was absolutely frightful. We were com-  
pletely victorious in the fight, but our ammuni-  
tion being nearly expended, and our provisions  
entirely exhausted, our General thought it prudent  
to fall back to Van Buren, which we did.  
My Lieut. Col. Cadmus Polk (a nephew of Major  
General Polk, and a brother of Col. Leavenworth  
Polk of your Command, recently and Major Gen.)  
was ~~very~~ severely wounded in the jaw. He  
acted most gallantly in the fight, and richly  
deserves promotion. Gen. Sigel is in whose  
Command I am, has interested himself very  
much in my behalf since the "Battle of Prairie  
Glen". There has been Gen. Holmes, to solicit  
an appointment for me, from the President, which  
I understand he has consented to do. Gen.  
Kantaman, who approached by Gen. Sigel upon the  
subject, said that he had once before recom-  
mended me, in a memorial indirectly from  
myself, by Gen. Gregg, and Gen. Burnside. And  
though he was ready and willing to do so  
again, he did not think his recommendation  
would be of much service to me at this  
time with the Department. I am satis-  
fied that the memorial of which Gen. Kim-  
ball spoke, never reached the President, and  
which of the latter is to be sent

to renew that request of the President, provided  
you have seen no cause since that time, to  
change your mind concerning me. A letter  
from you to the President, endorsed by General  
Bragg and Polk, would seem to be the proper  
way out of all doubt. Should I receive this  
appointment through your kind office, I be-  
lieve you will be so kind as to make you General, and  
that is, at all times, and in all places, what  
in the Camp or upon the battle field, I will  
conduct myself as though your eye were  
resting upon me all the while. I have  
studied tactics, until the "Evolution of the  
Line" and its formation to me, as "Com-  
mander of the Line" and have tried by hard  
study and close attention to the details  
of business to qualify myself for the po-  
sition which I seek. I will try to  
do what requires my own share of  
to thank for having recommended me for  
so high a position, and I am

The undersigned  
Officers of the 1st Brig, Texas Cav, &c. &c. beg leave  
to suggest to you, Sir, for a promotion  
to the position of Brig General in the Con-  
federate States Army. The reason for this  
representation to your Excellency is that this  
gentleman has been connected with the Army  
since the commencement of the Revolution;  
having volunteered, in obedience to the first  
Call for troops from Arkansas, and has  
during that time rendered most valuable  
service.

General Davis is a man of  
attainment, and an unquestioned courage, a  
good disciplinarian, and a man of the  
Arkansas troops in the field, and  
desires to be promoted to the rank of  
General, in order to be able to command, as  
well as to gratify his numerous friends in and  
out of the Army.

Respectfully asking that the  
agreement be made.

Mr. President

Richmond Va  
August 27<sup>th</sup> 1862

The beg leave to recommend  
to your favorable Consideration the appointment  
of Col. Alexander S. Hawthorne of Arkansas as  
Lieut. Col.  
Col. Hawthorne under authority of the Sec of  
War previous to the reception of Arkansas raised  
a Regiment in that State, but doubtless as genuine  
merit a champion of his ability to command and look-  
ing more to the interest of his country than his  
own selfish ends he yielded the place of Col.  
to Col. Lyons and accepted for himself the Lt.  
Colonelcy of the Regiment.  
Upon the accidental death of Col. Lyons who was  
killed by a fall from his horse in attempting  
to cross the Tennessee River Col. Hawthorne as-  
sumed command of the Regiment and by his  
industry and skill brought it to such a state  
of discipline as to enable him to fight it with such  
gallantry and effect at the battle of Shiloh as to  
attract the special attention of his Commanders  
Gen. Hardee and Hindman.  
When the conscript act went into operation Col.  
Hawthorne shared the fate of too many good officers  
in being detailed for the command of his Regiment  
but such had been his good conduct and such  
were his soldierly qualities that Gen. Hardee was  
unwilling to be deprived of his services and

immediately appointed him to the command  
of a Brigade, in which position he has been acting  
until the last few days.

The release of Genl. Buckner from imprisonment  
and his assignment to duty rendered the services  
of Col Hawthorne no longer necessary in that  
department of the Army, he is now released from  
all duty.

But being an original Southern rights man  
and having taken a very active part in ~~the~~  
causing a separation from the Old Government  
he feels it his <sup>right</sup> to take a part in the great struggle  
now going on with our independence  
maintained and avows his determination of no  
other post is assigned him to go again and set one  
into the ranks as a private.

Col Hawthorne is a man of fine intellect and  
unexceptionable morals of great bravery and  
coolness and in our opinion well qualified  
to fill the position for which we recommend  
him.

Again attention is directed to the letter of Genl.  
Kent Hardie, accompanying this recommendation  
and action.

Very Respectfully

Yours for service

Richmond, Sept 2<sup>nd</sup>

To his Excellency

President Davis:

I learn from  
my friend Col R. J. Hawthorn of  
Arkansas that he wishes a position, in  
which he can make himself useful  
in the Army. He has been in the  
service more than fifteen months - He was  
in command of the 6 Regt Ark vols  
in the battle of Shiloh and did  
soldier service.

I have known him from his boyhood  
and can speak with confidence as to  
his high character for uprightness and  
integrity, and excellent bearing.

There is any place over Arkansas  
troops in which you can put him, I  
believe he will do honor to himself  
and Country.

I have the honor to be very  
respectfully your obedient servant

Col A. S. Hawthorn,  
Present, Sir.

Since July a year  
ago you have been constantly under my com-  
mand, the greater part of the time as Colonel  
of the 6th Arkansas, for the last three months  
as Commander of the 5th Brigade 3rd Division  
Army of the Mississippi. In consequence of the  
consolidation of the 3rd Division into four  
brigades you are necessarily thrown out of  
service. In parting, I take much pleasure  
in bearing testimony to the efficient manner  
in which you have discharged your duties.  
At Shiloh you maneuvered your regiment  
with skill & fought it with courage. At all  
times I have found you prompt in exe-  
cuting orders; as a tactician and disci-  
plinarian you have gained much credit.

You bear with you wherever you  
may go my best wishes for your success

Very Respectfully &

Wharton Papers.

Headquarters Advance, Central Army of Kentucky.

Dripping Springs, February 11, 1862.

Col. A. T. Hawthorne,

Commanding First Brigade, First Division, &c.:

Colonel: General Hindman directs that you order Colonel Wharton, of Texas Rangers, with 100 men to proceed at an early hour as practicable in the morning as far as Cave City, and, if deemed safe, to Horse Cave, carefully guarding against surprise, &c. He will then fall back slowly to Mrs. Bard Smiths, and bivouac there to-morrow night, extending his picket as far up the pike as Dripping Springs.

If he deems it expedient he will, in advancing, send a detachment also toward (illegible) Horse Well. As he retires he will burn the railroad depot (but not the shed) at Bell Tavern, the depot and public stores at Rocky Hill Station, and the same at Smith's Grove Station. As he advances to-morrow morning he will send toward Bowling Green to join the main body such of his men as are now on picket. At an early hour day after to-morrow he will fall back to Bowling Green and report to you. He will likewise in the meantime report both to you and General Hindman any movements of the enemy he may observe.

You will advise him of the fact that Colonel Biffle will be scouting to-morrow toward and beyond Glasgow, and will bivouac to-morrow night at Oakland, and he will send to him and order to burn the depot at that place before leaving there. You will likewise inform that a flag-of-truce party from our lines will go in the direction of Woodsonville to-morrow, by way of Glasgow and Horse Well and (illegible) ----- with a portion of his command will scout toward Green River, in direction of Brownsville, and will fall back to Bowling Green to-morrow night.

## Terms and Conditions on which Messages are Received by these Companies for Transmission.

The public are notified that in order to guard against mistakes in the transmission of messages, every message of importance ought to be repeated by being sent back from the station at which it is to be received to the station from which it is originally sent. When the usual price for transmission will be charged for repeating the message, and while these Companies will as heretofore use every precaution to insure correctness, they will not be responsible for mistakes or delays in the transmission or delivery of repeated messages beyond five hundred times the amount paid for sending the message. nor will they be responsible for mistakes or delays in the transmission of unreported messages, from whatever cause they may arise, nor the delays arising from interruptions in the workings of their Telegraphs, nor for any mistakes or omissions of any other Company over whom lines a message is to be sent to reach the place of destination. D. M. Smith, M.D. 2-1865

Has returned to the physician  
general, Charles J. Smith, who  
issued this paper, which is  
informal, as Surgeon Hawthorne,  
whose eye was severely affected,  
to enable him to obtain the  
benefits of treatment in the  
Ophthalmic Hospital. When  
emergencies are rendered the  
removal of hospitals necessary,  
I have frequently issued orders  
to Surgeons in Charge to transfer  
the hospitals. Medical Officers,  
attendants and property, in  
the execution of which they  
are given orders to the

subordinates. Some of which  
have no doubt been improperly  
sent to your office.

The orders, relating  
and assigning Medical Officers  
are issued only from this  
Office, and, with the above ex-  
ception, no permission to issue  
orders has been given to Surgeons  
in Charge of Hospitals.

Surgeon Hawthorne,  
is under treatment in the  
Ophthalmic Hospital, but he  
assigned to duty at, Auburn  
Ala., by order from this  
Office, as will be seen  
from my Monthly Return.

Respected

Sec. of War

I respectfully do leave  
to address you unofficially respecting 1st Lieut.  
Philip Harall of Richmond, now on duty as  
Quartermaster with the Brigade and as far as  
impracticable his fitness to request that if  
possible, you will assign him a position com-  
mensurate with his qualifications.

As a soldier in the 4<sup>th</sup> S. C. Cavalry  
which I commanded, Lieut. Harall was  
among the first who volunteered in defence of  
their State and Country. From the commence-  
ment of the war he has been constantly in ac-  
tive service and always commanded the re-  
spect and confidence of his commanders.  
When General Anderson promoted him as  
Lieut. to duty as his aide de camp, and when  
the General resigned I applied for him to  
assist in drilling my command, hoping  
he might be promoted to some of the Regiments  
of the 1<sup>st</sup> S. C. Brigade. As they were con-  
sidered entirely of South Carolinians and I  
was disappointed. Having the interest  
of the Service in view I expected to go as above  
stated.

Lieut. Harall is a soldier by nature. He is  
collected, daring, energetic and discreet, and  
thoroughly skilled as a tactician.

She is full of pathos and command,  
a calm, serene, and although talk to find  
with, and a deep, rich, and commanding  
voice, from which the strong, steady  
as a fact, she talks her steady qualities  
long, respectful, and

My dear Sir,

I write to enquire whether the field officers, in the Regiment of Cavalry to which Humphreys was elected Colonel, have been appointed, and if not, to request that you will appoint Lieut. Haxall the Colonel of same.

This qualifications for that position far exceed the high estimate of his military capacity which I had formed previous to his recent service with me. Both as a tactician and disciplinarian he is eminently qualified for that appointment.

The interests of the Service will, in my opinion be  
so materially advanced by placing such a compe-  
tent officer at the head of a Regiment that I am  
satisfied in my duty to make the recommendation.  
I am influenced neither by private or personal  
feeling or consideration. The Regt. attached to  
the organization of the Regt. you will give him  
elsewhere the position I ask for. Such officers  
I believe can be secured with the best of their

part of the 1st Div. (The Richmond) is Cavalry, the  
remainder is Artillery.

Since my appointment to this Department I have

General,

Having been informed that you would grant me a furlough for the purpose of receiving ordination at the hands of Bishop Green at Jackson on Thursday, the 11th of February, I take the liberty of addressing you directly, to request that you allow me to go immediately, or as soon as possible, after the receipt of this note. The granting of this will, I assure you, confer a great favor upon me, and I hope it will not be inconsistent with your sense of duty.

Sir

I have  
been informed by Mr. Samuel  
J. May of Barnwell Dist  
So Carolina, that he is  
an applicant for the  
Place of Post Quartermaster  
under a recent act  
of Congress. Perceiving the  
liberty I take in saying  
to you that I have known  
Mr May from his boyhood  
& have had ample oppor-  
tunity of knowing him  
well. and that he is an  
educated intelligent gentle-  
man of sensible  
pure character and examp-

my habits. He is a very  
conscientious man & I  
have no doubt will exhibit  
it great fidelity in any  
trust that may be confided  
to him. He is moreover  
an ardent Southerner,  
devoted to the cause of the  
Confederacy, and anxious  
to make himself useful.  
His appointment would  
I doubt not secure to the  
Government a faithful of-  
ficer, and gratify many  
warm personal friends

Sir,

Mr Samuel J. May informs me that he is an applicant for Post Quarter Master, under the act to collect the War Tax, for the Congressional district comprising the districts of Barnwell, Beaufort, Colleton & Horry, which is called, I believe, the Sixty-fourth Congressional district of South Carolina.

I have had the pleasure of an intimate acquaintance with Mr. May from his youth; he is a gentleman of high character, fine attainments and excellent family, a resident of this district & eminently qualified for the place. He has been in the service from the commencement of the war, & is still performing his duties with patriotic zeal & to the entire satisfaction of his Officers. I believe his appointment will not only meet the requirements of his Office & the people of the district, but will advance the interests of the Government.

Yours truly,  
Genl. Cooper.

Enclosing statement of

explaining same.

Dear Sir,

Yours of 27th

27th

I have just received my statement of Hospital fund for 1861 & checked.

I find that you were correct about the quantity of wheat issued, it should have been Two & a half ( $2\frac{1}{2}$ ) bushels, as you will find it corrected.

The item of Coffee under Issues by Capt. W. M. Bayly M.C. is 430 $\frac{1}{2}$  lbs instead of 430 $\frac{1}{2}$  lbs. which makes the amount carried out right.

The items of Bacon and Flour marked by you & I must insist are correct, with the exception of a small fraction.

With these corrections made in the quantity of articles you will find that the total amount is not changed.

Hoping that this explanation will be satisfactory

I remain

With the highest respect

Yours affly

Rec<sup>d</sup> of

W. H. T. 1  
Fort Gaines. Alabama,  
25<sup>th</sup> March 1863.

I respectfully recommend the appointment  
of Private G. B. Hayden, as Steward in the Army.

Private Hayden is an excellent Soldier, for the War, in  
the 21<sup>st</sup> Regiment, Ala. Volunteers. He is over Forty-six  
years of age; is a practical, and experienced, Druggist  
and Chemist, and a good Bookkeeper, and  
familiar with making out and keeping accounts  
and Reports of Expenditures. He has been acting  
as Steward since December last, and believing  
that he will be of more service to the cause of  
the Confederacy than that Capacity, than as a  
private Soldier, I have recommended him for a  
permanent appointment as such.

Very Respectfully,  
J. M. Steward

Capt. your Note Complaining of the ex-  
cessive loss in Beef was duly received, I have long been aware  
of it, and have used every effort in my power to remedy it.  
I am forced to take the Beef at nights that I know to be false  
As the Troops go without any. On one occasion I merely  
asked to be allowed to note on my Receipt that in my opinion  
the weight was excessive, they refused to deliver the Beef, I com-  
menced of it in writing to Gen. Loring but before I could get any  
help the necessities of the Troops compelled me to submit to them  
and give a full receipt. Since then they have selected an average  
Beef & killed that, fixing the weight of the whole, by the weight of  
a Beef killed, but as Capt. S. S. Stuart's Agents insist on deter-  
mining for himself which the average Beef shall be - the remedy  
is proved worse than the disease as I think the Officers have  
then increased in loss of weight.

I regret that I cannot remedy it.

Mrs. S. H. Stilley

Jacksonville, Florida

Dear Mrs. Stilley:

Further reference is made to your communication of 26 May 1951, herewith returned.

The records show that W. P. Hayes, name not found as William Puryear Hayes served as Acting Assistant Surgeon, Confederate States Army. No record has been found of the date and place of his entry into service.

The records show that he was paid by a Confederate States Army Quartermaster 13 March 1862, at Chattanooga, Tennessee, for service in Franklin Hospital, Williamson County, Tennessee, from 1 January 1862 to 1 March 1862. No other record of him has been found.

This collection of records is by no means complete, and failure to find the entire record of Confederate military service does not indicate necessarily that an individual did not serve at some period not covered by the records.

Sincerely yours,

Wm. E. HERGEN  
Major General, USA

Having been appointed assistant  
Commissary by the Government of the Confederate  
States on the 24 day of December 1861 for  
the 1<sup>st</sup> ~~Regiment~~ of Virginia Volunteers I re-  
ported myself to Col William L. Jackson  
Commander of said Regiment for duty on the  
11<sup>th</sup> day of January 1862 and was thereupon  
assigned to duty as commissary for said  
Regiment. I at once entered upon the dis-  
charge of my official duties and have con-  
tinued in the discharge thereof from then on  
to this. When I entered upon my duties  
I found that no suitable place had  
been provided in which to keep provisions  
nor has any been provided as yet. In con-  
sequence of this the assistant Commissary  
for the Regt has continually issued rations  
upon consolidated requisition made by the  
Commander of the Regiment and the Quar-  
ter Master and responsibility have been assigned  
merely to the distribution of the rations so  
issued among the Companies of the  
Regiment. Not having received any  
money from Confederate Government or made  
any loan have of provisions or other articles

22 Aug. 1863

Very Dear Sir:

Some time ago I recd  
a letter from Capt. Hayward in which he  
said he had recd one from you inform-  
ing him that my recommendation of Genl.  
Early's approval had ~~not~~ reached the Adj.  
& Corp. Genl. Office till on the 11th, and  
that the Sec. War had promised to ~~an~~  
appoint him on the 12th.

A few days ago Maj. Parish  
reported to me. I told him I did not  
think he could enter on duty till he  
gave bond. I told him all the circum-  
stances relative to his appointment &  
Capt. Hayward's being the bearer  
of the papers and having been recom-  
mended &c &c. He applied for  
bond of course to give his bond, and  
I approved and forwarded it. At  
the same time I prepared a state-  
ment of all the facts concerning them.  
That the recommendation and  
approval <sup>of Capt. Hayward</sup> did ~~not~~ reach the <sup>office</sup> ~~Sec. War~~  
on the 11th, & that the ~~adj. & corp. genl.~~

of Parish, that I had learned  
from a reliable source that Capt.  
Haymond was probably promoted  
on the 15th - that from this I sus-  
pended the Sec. War but under the  
circumstances determined to  
assign May as assistant and  
assign him here, and assign  
May Parish elsewhere; That  
if I had not been confident  
that <sup>Capt. H</sup> he would be promoted to <sup>Brig.</sup> Brig.  
Commissary, I would have selected  
and reported him for duty as  
assistant to that officer; That  
later the officer assigned to that  
duty ~~and another~~ had been  
relieved and another assigned  
to duty as acting Brigade Commis-  
sary till relieved, and I suggested  
~~what~~ that under the act of  
Congress, (See Sec 5) Capt Haymond  
~~if~~ he was not promoted, ought  
to be assigned by the Sec. War  
to duty here or assistant to the  
Brig. Commissary to make sales

to extract, with Mr. [unclear]  
[unclear] of [unclear] I forwarded  
this [unclear] and [unclear] to the [unclear]  
& Gen. [unclear]. Genl. [unclear] returned  
the application for leave of absence,  
stating that no notice of Maj. Pausley's  
appointment had been forwarded  
through him. I suppose if he  
did not neglect it, he must  
soon send some one on the  
other paper and forwarded  
it. I had not seen him since.  
I had gone to see him a few  
days before this about this and  
other matters, but failed to get  
him to talk about any thing  
that I wanted to talk about.

My letter of the 15th. just  
received puts a different face  
on the matter than what I had sup-  
posed. I think Genl. [unclear] is  
disposed to return Capt. [unclear]  
in the service; but I think he will  
not recommend the retention of R.  
[unclear] generally. I think

in the event the necessary business  
if there is any other place to  
assign. May. Please to, the Wright  
will be so assigned and Capt. L.  
Hoy, would be appointed to this.  
If not you will find in this office  
that Capt. E. Smith a C.S. 49th  
Bn. Reg. was on the 31 July assigned  
to duty with the 13th. Commissary  
of this Regt. That is five days  
afterwards he was ordered to  
report to the Commissary General;  
that he having done so, and  
that place being now vacant,  
under the last clause of the 5th.  
Section of the Act of the present  
Congress the Surgeon, Capt. L.  
Hoy would, I think, serve  
he still assigned to serve  
as assistant. I feel much  
anxious in having him with  
us.

Very truly

Yours truly

E. The Company General of the Confederacy

Review in the field near Winchester 12 Sept 1903

Col. V. B. Barthorp

A few days since I received a note from Mr. S. B. Brown informing me that my return as Capt A.C.S. & major C.S. for the year 1863 complete had been examined & transferred to the 2nd Regt. Artillery for settlement. This note however was accompanied & referred to another part of the report.

There must of course be a copy of the order of Genl Lee in regard to the issue of the bond and a quarter of light to the troops under his all the <sup>other</sup> circumstances of Genl Lee's army acted at the time & I did. I also saw affidavits of Mr. M. Hunter as a witness to the fact that I had been made a salt and also the other parts of the document. The issue of my papers in the summer of 1863 & March 1863, these papers must all be signed to the <sup>fact</sup> of the issue of my papers. I issued 8th of June 1863 and it was done under an order but I have not been able to lay my hands upon it. I have this summer papers in it have been compelled to send many of my official papers to the Bureau and the order may be with those sent back. However the command of Regt accepted to be a general matter. I shall do my best to have it as I have done in the men in good faith and by order.

It seems the weight of these papers will be taken by the men if there is any evidence in the evidence presented that I may be informed of them before final action is taken. I have pleased that my report was being examined by the Bureau.

Respectfully,  
V. B. Barthorp

~~DEPARTMENT OF JUSTICE AND POLICE~~

Columbia, S. C., June 12<sup>th</sup> 1862

To

Hon. J. M. Randolph  
Secretary of War

Sir: I have two sons in the service both of whom  
rallied to the call of the State of S. C. while she was,  
yet alone and who with short intervals have been in ser-  
vice ever since. Until recently I have discouraged any  
application for a Commission, believing that their exam-  
ple in volunteering as privates would be a good one, and  
that the lesson would be useful to themselves. The ap-  
pointment of Officers for the Regulars raised by the  
State having been surrendered by the Executive Council,  
of whom I am one, and all other State appointments  
taken away by the description and of Congress after  
their long service in the ranks. I apply to your Depart-  
ment for Commissions for them. The elder, Isaac Hyatt,  
I think fully equal to the position of Captain or 1<sup>st</sup>  
Lieutenant for the younger, Ed. Thubrick Hyatt. I  
would be well pleased to obtain any subordinate Com-  
mission. I can confidently recommend them as per-  
sons of the immediate superior Officers, under whom they  
have served.

There are vacancies now, I learn, and others will

occur, in the Ho. Co. Regulars and Corps of Sharpshooters  
are being formed. Others are applying and without consul-  
tation with my Sons I place before you their names.

Very Respectfully

Dear Isaac

I think you are premature in your judgment about the action of this Company still it is not only a duty but a very great pleasure for me to say or do any thing which can forward your views. When I look at the motley crew of Commissioners in this State I feel as though it were a reflection on your capacity to recommend it. Forms must be complied with however and I will only say of you that which my treatment has always said to you. I have always reposed implicit confidence in you and that confidence has been fully justified. You were a gentleman before you were a soldier and on that score you can claim no credit and need no recommendation. I think you will make a first rate Officer and can only add that I recommend you unhesitatingly for an appointment. Your health you can best judge of yourself. I think you are careless of your health, but I hope the severe lesson you have received will do you permanent good. I hope that under any circumstances you will allow me the privilege of signing myself your very sincere friend as well as Captain.

My dear Sir,

I would beg to substitute the name of Mr. Edmund Chubrick Hayne for that of Edward North Jr as he has accepted a Commission in another organization. I would be pleased to have the early attention of the Council to the Commissioning of the Officers named for the new Companies - if the Council has not the power, I would like their endorsement of the gentleman named, to forward to Richmond. I am very anxious to get the Officers out recruiting.

I find among the names presented for subordinate appointments to be conferred by the Governor and Council, that of my son, Edmund Shubrick Mayne. His name was presented by Major Lucas and he is recommended as competent to fulfil the duties of a Commissioned Officer by Col. Hagood and Genl Gregg, under whom he has served.

I propose merely to add a word as to his opportunities for becoming fit for the position. He was two years in the Military School of the State. When Castle Pinckney was taken possession of, he was there as a volunteer substitute for one of the Marion Artillery. He soon returned to the Citadel, but, yielding to his decided penchant, Ballouet him, immediately after the evacuation of Fort Sumter, to join Col. Hagood's Regiment at Morris Island, where he continued until they left, as drill instructor. He followed this Regiment to Orangeburg and remained with them until they refused to go to Virginia. I got his discharge then, and in August he joined as a private, the Carolina L. I. Volunteers, came to Light Hood's Springs and remained in Camp until the Company went to Virginia and then joined Gregg's Regiment. Col. Gregg made him a Lance Corporal and he remained in Virginia until the Regiment marched the other day to Goldsboro. N. C. where he now is.

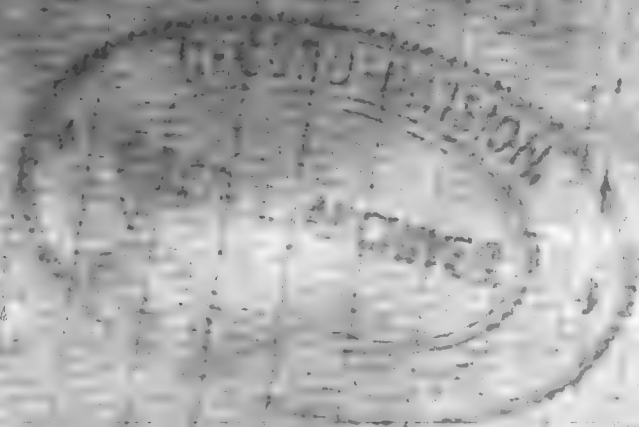

He has not had a day's sickness is always cheerful, knows  
and is known to every man in the Regiment. As to his ca-  
pabilities his Colonels are better judges and more impar-  
tial than I am. I ask only a Commission of the lowest  
grade and I candidly think that he would, for one of these,  
be a good appointment.

Respectfully

My dear Sir:-

Your late letter arrived as I was about to set off on a two days ride across Combahee River, which has delayed my reply.

I take pleasure in stating that I consider your son, E. Shubrick Hayne, well qualified for the appointment of 2<sup>d</sup> Lieutenant.

He was in Capt. Barksdale's Company in my Regiment, 1<sup>st</sup> S.C. V. at Suffolk Va. I selected him, although a Private (with the honorary rank of Lance Corporal) as one of the Instructors in the School of the Soldier for the armoured squads of the Regiment - and he performed the duty in a satisfactory manner. Though young, his Character is manly, and I have no hesitation in recommending him.

General,

In obedience to directions contained in "Circular" from Hd Qrs, Dept of S.C. dated 5 Oct 9th 1862, I have the honor to report, that my command was originally mustered into the Service for the war. Lt Isaac Hoag was nominated by Maj Genl Punkotone & the 1st Lieutenant of Co. B of the Battalion, and though accepting the nomination at first, he subsequently, and before his appointment, (which, indeed, has not yet come, I am glad to hear, declined it. His original letter declining the same was supposed to be lost, and, at my request, he furnished me the enclosed copy for another original.

I also enclose a letter from Captain R. W. Williamson A.A.G., showing the progress of the business, and that Lt Hoag's original communication declining his appointment was forwarded to the War Department as early as 16 Sept last.

I would respectfully ask, that a nomination be made, by the Genl Comd, the Dept, to supply the vacancy, if there is one, in company "F", as soon as practicable, since that company, from the illness of its Captain and other causes, is very destitute of officers, & give it attention. Lt Hoag left my command on the date of his communication referred to, dated, 29 Aug last.

Very respectfully,  
Your obedt Servt,

Joseph Hancy,  
Maj, Battalion S.C.  
S.S. Comd Post.

Richmond 11<sup>th</sup> Decr 1863,

I respectfully recommend to your appointment as Junior 2 Lieut 1 Regt. C. Infantry (C. M.) M. Allston Hayne Esq of Audenton Court, Columbia. He is a graduate of the U. S. College is a lawyer by profession, was a member of the Legislature from Anderson Co. was one of Gen. Pickens Aids when he was in the field.

He is the youngest son of the late Robert Y. Hayne of S. C. and is about 40 years old.

He is now on the Coast of S. C. in one of the Regt of reserves, and will be liable to conscription the 1<sup>st</sup> of July next. He is a gentleman of talents - unexceptionable habits - high social position and is worthy of a much higher position than the one now sought for him.

He is a sensitive man which furnishes the only reason why he has not heretofore been in service. He had considerable property in this section at the beginning of the war which he has lost.

I am, Sir, very respectfully,  
Yours,

Encls. No. 12

A vacancy exists in the 2d Cong  
District of S C in the office of Post  
Dr Master for that Dist by the death  
a few days since of Capt John Kenne  
dy. I beg leave to recommend  
as his successor W. Alston Hayne  
Esq now on duty on the Coast of S.C.  
in the 1st Regt State Troops.  
He is a lawyer by profession, a thor  
ough business man of fine habits  
morals & the son of the late Robt  
J. Hayne of South Carolina.  
His delicate health required him  
to quit the bar & remove to the up  
country where he now resides.  
He was a member of the Legisla  
ture at the opening of the war civil  
war the Confederate and reconstr

and Private Secretary of Governor  
Pickens during his administration.  
His knowledge of business, generally,  
him admirably for the duties  
of Post Quarter Master and his  
delicate frame precludes the idea  
that he can serve the country  
in the ranks. He is now about  
43 or 44 years of age.

He is a native of Charleston  
and is familiar with the inhabitants  
there & in the adjacent country  
& I therefore earnestly recommend  
that the appointment be conferred  
on him.

Very respectfully, Yours &c  
John L. Orr

It is unusual for me  
to nominate any one who  
is within the conscript age  
for appointment, since  
the approval of the recent  
conscript law. But this  
case is so strongly pre-  
sented by a Senator  
and the members from  
the vacant district that  
I must yield to the  
force of their responsibility.

It is a very common error to suppose that the  
 only way to get the most out of a book is to  
 read it all at once. This is a mistake. The  
 best way to get the most out of a book is to  
 read it in small portions, at intervals, and  
 to think about it as you go along. This will  
 enable you to get the most out of the book,

Major W. H. Haynes will relieve Capt. F. O. Smith in the duties that even assign to him in the Clothing Bureau, He will receive all the money and property belonging to the Clothing department, Capt. Smith after turning over all the property & money belonging to the Clothing department will confine himself exclusively to the duty of Post Quarter Master. It is necessary to separate the two as the duty requires of the Post Quartermaster will in future be too laborious to have additional work to perform.

# CENTRAL CLOTHING BUREAU,

Shreveport, April 1st, 1863.

It is highly important to obtain all the information possible in reference to the resources of this Department, as regards the manufacturing interests. The civil officers are respectfully requested to furnish me the quantity of native products manufactured in their respective Quantities or Parishes, as to what proportion can be made available for Government use. I particularly desire to know the number of Cotton and Woolen Factories, Tanneries and Foundries, their capacity, and susceptibility for increased usefulness, if aided by the Government. When practicable, it is intended to render aid, if it will promote the public service, as also private interest.

Steps have been taken to acquire large quantities of supplies needed by the people, to exchange on a fair basis for native products of the country. In order that production may be stimulated to the greatest extent. It is deemed vitally important to the Government to encourage manufacturing, and its assistance will be rendered in numerous cases; to learn how far such assistance is essential, I solicit your co-operation and request that you forward to this office at an early day as possible, all the information you can on the subject.

Herewith you have form of report which please follow, making your remarks full and explicit.

I am, Sir, very respectfully,

General

I have the honor to enclose herewith, a communication from this office dated October 11<sup>th</sup> 1863 by Maj B. W. Bloomfield Chf Q. M. Dist. Texas, and his order to Maj E. C. Wharton Chf Clothing Bureau Dist. Texas re Houston, to remark that the blankets (particularly) referred to in those communications have not been forwarded as directed, although repeated assurances have been given to me that they would be forwarded without delay. I respectfully request that an order be issued, to the Maj Genl Comd'g Dist Texas, of such a nature as will correct his disposal of stores that may be imported into his District, without regard to the wants of other troops in this Dept, especially in the article of blankets.

Capt E. C. Wharton a.g.m Chf Clothing Bureau Dist. Texas, informs me that Maj Genl Magruder directs him to issue two (2) blankets to each private of his command; and further directs him not to permit any clothing stores to leave the district without his (Genl Magruder's) order. The retention of reports due at this office from Capt E. C. Wharton Chf Clothing Bureau, Dist Texas, the order of Maj Genl Magruder, directing an unauthorized issue of two (2) blankets to each private of his command, and his interference with instructions

con

of Oct 14<sup>th</sup> from this office that had rec<sup>d</sup> the  
approval of the Lt Genl Council, have permitted  
such a distribution of those articles to the troops of  
the Dept as would have been just and equitable.  
I addressed a communication to Maj Gen Hays  
which was forwarded through Capt B K Davis,  
stating that, in my opinion, the stores that had  
come into this District, referring particularly to the  
blankets, should be divided pro rata to the troops of  
the Dept, and am informed by Capt Davis, that  
only a part, one thousand blankets, will be allowed  
to leave the District of Texas when a much greater  
number are still due on the order from this office  
of Oct 14<sup>th</sup> 1863. I earnestly hope that such instructions will  
be issued by the Lt Genl Council, as will cause the  
Maj Genl Council <sup>to</sup> order to this Depot the balance of  
the blankets yet due, and such other clothing stores as are  
absolutely and indispensably necessary for the effective men of  
his command, and also directing that officers of the Lt Genl  
Dept, especially Capt E B Whenton a g m Chief Clothing  
Bureau in the Dist Texas. Capt Wm Prescott a g m  
San Antonio. Capt J A Hasty a g m Tyler,  
and Capt J P McHenry a g m Austin Texas, forward  
to this office monthly reports of the Clothing Camp and  
Garrison Equipage, or material for the manufacture of the  
same, that they may have on hand, received, manufactured  
and issued during the month

Sir

Allow me to thank you for your kind assurance which I received through my warm friend Capt. G. M. To of Columbia. I left Columbia in June last for the western department and since I have been out here have been assisting Maj Wm H. Haynes of Miss in the Quartermasters Department.

Major Haynes is an old soldier having been in the Service since the commencement of the war he was first in service as Quartermaster on Genl Cha<sup>s</sup> Clark's staff of Miss, was at the fall of Donaldson, at Shiloh he fell dangerously wounded while performing his duties. He was later at Baton Rouge where his Genl (Clark) fell wounded and was taken prisoner, after which he was made Chief Quartermaster of the Army Corps under Genl Breckinridge, after the forces returned from Baton Rouge he desired to be transferred to the Trans Miss Dept where he came with an honorable letter from Genl Breckinridge, a copy of which I enclose, since which time he has been acting as Chief of the Clothing Bureau for this department.

The Major is an applicant through the Mississippi Delegation for a position in the Regular Army of the Confederate States as Capt & Assistant Quartermaster. His antecedents are good, his character unblemished as you will

May. I desire to call the

attention of the Maj. Genl. Commanding  
to the present restricted limits of the Eastern  
Dist. of Texas, as regards supplies. As  
the several Districts are now bounded it  
is impossible to obtain the necessary stores  
for the troops, within this Dist. inside of  
its limits, and deeming it a matter of  
the greatest importance that each Commissionary  
should be confined in his purchases to his  
Dist. I have taken this occasion to  
respectfully suggest that the Eastern Dist.  
should be bounded as follows.

Commencing at Marlin in Falls County  
Thence to where the Falls County line intersects  
the boundary between the Northern & Western  
Dist. Thence following the North  
Western boundary of the Counties of Fall  
Ball, Williamson & Travis, Thence along

the North Eastern boundary of Hay's  
Caldwell Gonzales to the Northern bound-  
ary of Lavaca Co. Thence along the  
Northern boundary of Lavaca Co. to

If such a change is made, all

With the statement, that I do

are only 15 Hhds of Bacon at

GEN. POLK'S PAPERS.

The within statement was left at this office yesterday by Gen. Col. Hays - and is hereby referred to the Department by order of Gen. G. A. B. and the Adj. Gen.

I have the honor to state that I know nothing of the person mentioned. I would refer the note about an Officer to the Adj. Gen. for orders, but would respectfully suggest the application be made to the Reserve Artillery.

Col Roddy reports to me that there are  
two pieces of artillery at White bridge  
about six miles from his present position.  
he thinks these pieces are intended for him  
if so it would be well to acquaint your  
Chief of artillery with the fact that Col  
Roddy has no experienced artillerymen  
in his command and is desirous  
that at least one be sent down  
to him. I am aware that Col Hagan was  
directed to send Col Roddy two pieces which  
was not done so it is quite probable  
that these pieces at the bridge are  
for Roddy's command.

Respectfully

General;

The absence of <sup>Major</sup> ~~James~~ Polignac  
who has been detached from the ~~command~~  
of his division of the Corps under my  
command, occasions a vacancy in that  
Division; - to fill which I respectfully  
recommend the promotion of Brig. Gen.  
Harry J. Hays of Va. to the grade of Major  
General, and his assignment to the com-  
mand of that Division. The Division  
is composed of one Texas and two  
Louisiana Brigades.

Should it be impracticable to make  
the promotion above requested, I ask  
the resignation and promotion of Brig.  
Gen. St. John E. Riddell of Va.  
Brig. Gen. Hays is now on special duty in  
I. H. Dept under instructions from the War  
Dept. It is understood that Brig. Gen.  
Riddell is on duty near Mobile.

Respectfully,  
W. R. Buckner.

Brig. Gen. W. R. Hoff.

Sometimes in January I  
was relieved from duty at my  
own request in consequence of  
various rumors and stories set in  
circulation by evil and designing  
persons affecting my character, ~~where~~  
~~not known~~, as an officer and Gentle-  
man. - I requested to be relieved  
that these charges might be investi-  
gated and through Major ~~Spair~~ <sup>Spair</sup>  
my superior officer, I demanded  
a Court of Enquiry. It was I understand  
referred to you.

In a short time I was  
relieved and have since been expecting  
the investigation demanded & have  
several times written urging it on,  
but it seems without effect.

I am anxious to retrieve my  
character or rather refute the many  
false and calumnious reports so  
indiscriminately circulated to my  
injury and I think in common  
justice I am entitled to<sup>the</sup> as a pub-  
lic servant of this country  
I am not about being reinstated.  
My only aim is to set myself right.  
Be kind enough to define my  
position and status and let me  
know if there is anything I can do  
to forward an investigation.  
Application to this end was made

Sir

Having been relieved from  
duty as A.C.S. at this Post I addressed  
a communication to Major Sloan Lt Col  
H. Co. on the 12<sup>th</sup> of Jan'y asking for a "Court  
of Inquiry" in my case. That paper was  
referred to the Genl by Major Sloan and  
returned to him with the following re-  
sponse

"Respy returned to Major Sloan Lt Col H. Co."  
"Alas the Genl does not deem it necessary  
to take further steps in the matter. Applica-  
tion has been made to have Capt. Mayo  
relieved see letter to Genl of the 18<sup>th</sup> Jan'y 64."  
(Signed)

J. E. Williams Lt Col H. Co.  
I therefore now respectfully refer the matter  
to the Secy of War and beg that he will  
order a "Court of Inquiry" as early as pos-  
sible or inquire of accusers to prefer  
charges regularly against me that I  
may have an opportunity to vindicate  
my character which has been spoiled by  
some unknown and designing person

January 1st 1864

My dear Sir

I received a letter instructing me to proceed in relation to the complaint of the Committee to enquire into the complaints and allegations against Capt. Horatio May's crew and to report to you.

That I called upon Mr. Morrison of Leicester and Mr. Henry Hanson, Mr. May, Mr. May's Capt. Horatio and other officers at and near Hudson when I received a number of complaints against Capt. May but some of them being based only upon rumor could not be traced to reliable sources and are therefore omitted - because a reference to them in this report would be unjust towards Capt. May - but after a partial investigation I feel warranted in presenting the following 1<sup>st</sup> That several lots of boxes of the contents of Capt. May's and delivered to Hanson's agents around Hudson and Burlington Canada at Kingston proved to be short in weight about 15% was unsound to a large extent and therefore condemned by Survey and that a number of the barrels contained the light live sawdust of the same - 2<sup>nd</sup> That his agents or himself were in the habit of retaining the first and last purchased of the farmers until the price advanced and then charging the advanced price thereby realizing quite a handsome profit

3<sup>rd</sup> That his agents had in repeated instances paid from 10 to 30 cents per pound above the Government price paid for Pork (over)

Thereby causing a difference between them and the agents  
in that respect who delivered to the British.

4th That although he was a merchant but still being the owner  
yet not to a degree of considerable wealth. Having received  
the above complaints I proceeded to Knoxville - told Capt  
Hay the object of my visit & related to him the said charges at  
the same time informed him that I would be pleased and  
reputation or explanation which he might wish to make,  
and then I then proceed to give, To Charge 1st He asserts  
that he purchased the Beef without examination presuming  
that the parties were honest and that he deducted  $1/50$  sometimes  
of the gross weight for the tare that as soon as he was informed  
by May Morrison of the objectionable contents of the barrels he  
retained a few then on hand and found several in a similar condition.

2nd He states that his custom with Mr Small & McFarrell (his  
agents who buy on the other side of the Chocoma River) is to allow  
them to salt the pork and whenever he demands the bacon or salted  
pork of them he pay them the current price at the time of delivery  
they retain the offal and lard. He says that if he is wrong in so  
doing it is an error of judgment & he proposes to give induc-  
ment for the running of salt across the line and that since  
he is not interested in the transaction he will pay  
Mr Small's agent the amount of their bills and holds their  
receipts as his vouchers but I would here remark that  
such a course operates very injuriously to the government  
farmers who sold their pork to Mr Small & Co presuming that  
he was buying on government account & much dissatisfied  
that they claim that in case of an advance to  $1\frac{1}{2}\%$  or  $1\frac{25}{100}\%$  for salted

work to a private individual does not the benefit of the  
advice. The disinterestedness of the government is a principle to which other and  
causes may be declining willing to trust agents and I was informed  
that some persons for the above cause are unwilling to sell to  
the agents of Capt. & Co. I also think that Mr. Small & Mr.  
Garnett have been regularly detained as agents of so they should  
only receive a stated salary and give the Govt the benefit of their  
services — 3<sup>rd</sup> He admits that Mr. Small has paid more than  
Govt price but says that it was done upon his (Mr. S) responsibility  
4<sup>th</sup> He avers that he has bought nothing on speculation since  
he received his commission, but says that his investments during  
the first year of the war were very profitable and by the heavy  
advance in the produce and property held by him he has realized  
quite a large sum of money — but in so doing he has not in any way  
whatever injured the Government nor used one dollar of its  
funds — I have thus endeavored to present the facts obtained  
by my visit in a fair and impartial manner & respectfully  
submit the same

I am very Respectfully

W. C. Smith, Captain,

Sir.

I most respectfully ask a leave of absence for thirty (30) days, with the privilege of returning at any time, to visit my home in Indiana, for the following reasons.

I have a widowed Mother and two little Sisters with no male protectors, except a brother who is a soldier and I wish to see them, and aid my mother in the proper support of herself and family in the present year.

I have never received a leave of absence, and having been an enlisted man at the time of the Company's organization, I am entitled to a leave of absence.

I have never been absent without leave from my command, and have been in service since Sep 1861.

Hoping this application will be favorably considered.

In accordance with special  
order No - issued from your office. I have  
made a partial examination of L. & N. R.R.  
Branch from Bowling Green to Nashville

I find the Road badly managed and in  
my opinion the Superintendent and many  
of the employees of the Road are wholly  
incompetent to fill the places occupied by  
them. I saw men acting in the capacity  
of Breaksmen so much intoxicated as to  
be wholly incompetent to attend to their  
duties.

I am of the opinion from the best in-  
formation that I can get that many of  
the accidents that have occurred lately  
were from negligence or from the  
carelessness of the employees especially  
the conduct of the 13<sup>th</sup>. More men should  
be employed as Breaksmen and men  
not habitual drunkards. There should  
also be employed in the depot at this  
place a few good Porters or depot men.  
The Rolling Stock of the Road is not  
kept in good repair and when an  
accident does occur the Cars are not  
promptly repaired. No water is provided  
for passengers during the trip.

Trains laden with the Sick are kept  
on the trip to Nashville as much as Twelve  
Hours & sometimes without Water.

Most Respectfully Yours

Mobile, Feb 2<sup>nd</sup> 1863

My dear General,

Permit me to  
introduce Major S. K. Hays,  
my Chief Quartermaster and  
a particular friend.

I send him to Charleston  
and other points with a view  
of making some arrangements  
for the advantage of the public.  
I feel the more assured in  
asking you to render him  
every assistance you can,  
for the reason that I know  
your views of public duty  
are not limited by the  
bounds of any district  
or Department.

On reaching here I

found the defenses of the place very imperfect. A line of intrenchments, feeble in itself and of vast extent was nearly completed. It would require more than forty thousand men to give any assurance of holding it, - a force which it would be improbable could under any circumstances be assembled here. I was compelled therefore to ignore the work entirely and establish a line which I could hold with a probability of success.

I am now throwing up a line of detached Redoubts and batteries which can be strongly held by about five thousand men.

My greatest difficulty is tools - spades, shovels, picks and axes. Can you assist me in this respect, - even in a but of limited degree?

I am establishing a second line of defence  
for the rivers at Choctaw and Owen Bluffs,  
on the Alabama & Tombigbee rivers, about  
one hundred miles above Mobile. They  
~~are~~ are yet in an imperfect state. I have  
a great deal to do, and little to do it with.

We are cheered here by your success  
in front of the Harbor of Charleston. Our  
iron clads have not yet been launched. When  
they arrive <sup>from above</sup>, we may endeavor to imitate you.

With high regard

Truly Yours Friend

J. B. Breckin.

Colonel:

May. H. Hays formerly of my Regt goes to Richmond to attend to business connected with his status in the Army. & I beg to state in his behalf facts permanently known to me.

May. Hays held the rank of Major in the Kentucky State Guard and was an energetic & efficient officer.

When Gen. Buckner went to Bowling Green he in conjunction with myself had authority to raise a Battalion of Infantry of which he was to be Major & I Lt. Col. We raised five Companies & are being consolidated with Col (now Brig. Gen) Lewis Batt, formed the 6<sup>th</sup> Ky Regt -

As Major of that Regt he was an efficient & energetic officer in Camp & brave & vigilant in the field - At the reorganization under the Conscription Law he declined from personal reasons to be a candidate for reelection - Had he been a candidate he would have been unanimously chosen - After the reorganization he asked several times to be relieved from duty to establish which fact he has documentary evidence -

He was not relieved but was assigned to Staff duty with Gen. Preston & afterwards with Gen. Helm

I served in Preston's Brigade while he was a. a. & in Helms when he was A. S. & take great pleasure in testifying to his great vigilance, bravery & efficiency -

Gen Bragg has decided that he is not an officer in the Army if this should prove to be also the opinion of the Secretary of War I hope he may be appointed to a position with at least the rank he formerly held - He is eminently worthy of any place he may ask or any confidence that may be reposed in him - Had he been relieved when he asked to do so he might have gone to Ky with Gen Bragg & raised a command while the Army was between Green River & Elizabethtown where he has been favorably known to the people.

Hoping you may be able to send him the position he merits

Sir

I have the honor to ask to be recommended  
in the next next rank Capt R & C States with rank  
Lower than that of Major and to date from May 9 1862.

I was commissioned Oct 8<sup>th</sup> 1861 and assigned to duty  
as Major of the 6<sup>th</sup> Regiment Kentucky Infantry and upon  
its reorganization under the Conscription Act May 9 1862  
I declined from personal reasons to become a candidate  
for reelection. Another officer being elected I went  
to be stationed as per duty, this not being allowed I was  
assigned to duty as Major 1<sup>st</sup> Artillery of Fort  
Mason's Brigade and afterwards as Major 1<sup>st</sup> Artillery  
of Brig and Helm's Brigade, in which capacity  
I served until the death of Genl Helm at Chancellorsville  
September 24<sup>th</sup> 1863.

In consequence of feeble health I asked in November last  
to be assigned to post duty, and submitted a statement of my  
status in the army with that application. Genl Bragg advised  
that the assignment was invalid and that I was not en-  
titled to either pay or Rank since May 9 1862.

Hoping that you will consider this application  
favorably I am most respectfully

Yours obedient servant

This is an application  
of Thos H. Hayes of Ky. for  
an appointment as allegant  
A. G. C. L.

This gentleman served as Major of the 6<sup>th</sup> Regt. Ky. Vols. until the reorganization of the Regiment under the Conscription Act May 9<sup>th</sup> 1862 when from personal considerations he declined to let his name be used as a candidate. The legal number of field officers being elected, he applied to be relieved from duty which application was refused by Brig. Gen. Rector Comdr. Brigade, disapproved and directing him to take command of the Regt, the Colonel being absent sick and the Lieut. Col. absent wounded. The newly elected Major, Clarke, was ordered to report to Major Hayes for duty.

On the 25<sup>th</sup> May, Col. Lewis assumed command of the Regt and Major. Day obtained leave of absence for eight days, at the expiration of which he was assigned to duty by Brig. Genl. Peck.

as Major + Adjutant of his  
brigade. In August following  
he was directed to report to  
Maj. Genl. Breckinridge, who  
assigned him to duty with Brig  
Genl. Helm as brigade Inspector,  
in which capacity he served  
until the death of Genl. Helm  
at the battle of Chickamauga,  
Sept. 20.<sup>th</sup> 1863.

In last November he applied upon Surgeon's certificate of disability for assignment to post duty, which application was ret. by Capt. Briggs deciding th he was not in commission.

It appears then that the gentleman under the orders of superior officers has served faithfully for eighteen months without a commission, and he now asks that as a compensation for his services that he may be appointed Major back to date from May 8<sup>th</sup> 1862, the day on which his commission in the line expired, might he not receive such an appointment for inspection duty at large, receiving instructions from and reporting directly

Feb 10 1864.

Wm. Sumner & Seddon,

Secretary of War.

Sir,

In November

last I made a statement to Genl Braxton Bragg, of my connection with the Army of the C States, and my services since May the 9<sup>th</sup> 1862, and in consequence of public health asked to be assigned to Post duty.

Genl Bragg decided that I was not an officer of the C S Army, and not entitled to pay on rank since May 9<sup>th</sup> 1862.

Having been on active duty by assignment since May the 9<sup>th</sup> 1862, and believing that I deserve some compensation for my services, I beg leave to submit, with the papers acted upon by Genl Bragg, a full and more explicit statement of the facts, for your consideration.

I was commissioned October the 8<sup>th</sup> 1861 with the rank of Major and assigned to duty with the 6<sup>th</sup> Regt Ky Vols, Army of Central Ky, and served in that capacity until the reorganization of the Regt, May 9<sup>th</sup> 1862, under the Concurrent Act, the 6<sup>th</sup> Ky being a Twelve Months Regt.

I declined from personal reasons to become a candidate for reelection, and

Lt. W. L. Clark was elected Major. I then made an application to be relieved from duty, which was disapproved. Major Clark and the other officers elected, being duly qualified were ~~was~~ assigned to duty about the 15<sup>th</sup> of the month, and my name not appearing in the order issued from Div Head Qrs, relieving from duty those officers not selected. I made a second application to be relieved from duty. I was not relieved, but ordered to the command of the Regt. The Enemy under the command of Maj Genl Pope, being then in our front and threatening an attack upon Corinth nearly every day. Col (now Brig Genl) Lewis was about sick at the time, and Lt Col (now Col) M. H. Pope absent from wounds received at the battle of Shiloh.

On the 25<sup>th</sup> May Col Lewis reported for duty and I made the third application to be relieved and obtained a "Leave of Absence" for eight days.

I beg leave also to state, that I was one of a committee of three, appointed by Maj Genl Bucknidge, to examine candidates for promotion, and was on that board until the 25<sup>th</sup> May.

At the expiration of the 8<sup>th</sup> days of my leave of absence I reported to Brig Genl W. P. Pickett, then in command of Bucknidge's Div, and was assigned by duty by him as Maj & a a Genl of his Brigade.

In the latter part of August - or first of September I was ordered to report to Maj Genl Bucknidge, and by him ordered to report to Brig Genl D. C. - who

announced me on his staff as Major & a First-Lieut. in which capacity I served until his death at Chicamanga Sept 20<sup>th</sup> 1863.

Had I been relieved from duty, Brig. Genl Helm would have given me any position on his staff that I might have asked.

Genl Preston also told me that when relieved he would have me appointed Art Adjt Genl on his staff if I desired to remain with him.

Brig. Genl Helm, who was my brother-in-law, is mentioned among the Martyrs of this Revolution.

Brig. Genl Preston, from whom I might have obtained a favorable recommendation is now on a foreign mission.

Major Genl Buchanan who knows my qualifications as an officer of the Line & Staff and is cognizant of the foregoing facts, is absent from the City.

Neither of the latter named gentlemen have seen this supplemental paper, which I most respectfully submit for their inspection should it at any time become necessary. My continued ill health prevented me from referring this case to your consideration at an earlier day.

I may leave to add further, that I was a member of the "Ky State Guard" for nearly two years, as Capt. of one of its Companies for six months, and for more than one year as Major of the "Salt River Battalion" that I took an early interest in the cause of the South and

- was the first man that unsheathed his sword in that State to reduce her wrongs and that too long before the C States forces entered our State.

When Genl Buckner entered our State, I called several Companies of my Battalion and speedily joined him at Boardman.

My services previous to the date of my Commission as Major of the Sixth Ky Regt on the Louisville & Nashville R Road, and in the advance of our Army at Gun River Ky is well known by Maj Genl Buckner, and Brig Genl J M. Hawes to whom I am indebted for the Complimentary letter, which I now with transmit to you.

For these services I have never asked one dollar, nor have I ever drawn, like many others any Compensation for the Arms that I brought out from the State, but turned them over to the C States Government.

I state the foregoing facts, not that I deserve any particular merit for having discharged the duties incumbent upon every patriot, but to represent to you that I have to the best of my ability and in my humble capacity, endeavored to do my whole duty, as man, a patriot and a soldier.

Having served my Government for nearly three years, and not being entitled to ~~either pay or rank~~ for the last seventeen months of service, as -

~~de ded~~  
~~Ordered~~ by Genl Bragg. I ask to be com-  
missioned with at least the Rank that I  
have formerly held. I have not sought  
the recommendation for any particular  
place from any Genl in our Army.  
I submit my case to your consideration,  
and should you decide adversely to my  
petition, I shall most cheerfully acquiesce.  
And join the Ranks with the heroes of this  
great war for independence, and will give  
as heretofore, my support to our government,  
and should it be necessary my life for our  
Cause.

I have the honor to be  
Your Obedient Servant:  
Thos H Hays.

Office of Med. Ex. Board  
Bristol, Nov. 11<sup>th</sup> 1864.

We certify that we have carefully examined Capt. Thos. S. Hays A. 2<sup>d</sup> H. and find him suffering from a Bronchial affection, accompanied with enlargement of the lymphatic glands in the neck, and a condition of the lungs peculiarly liable to be developed into a permanent and serious disease.

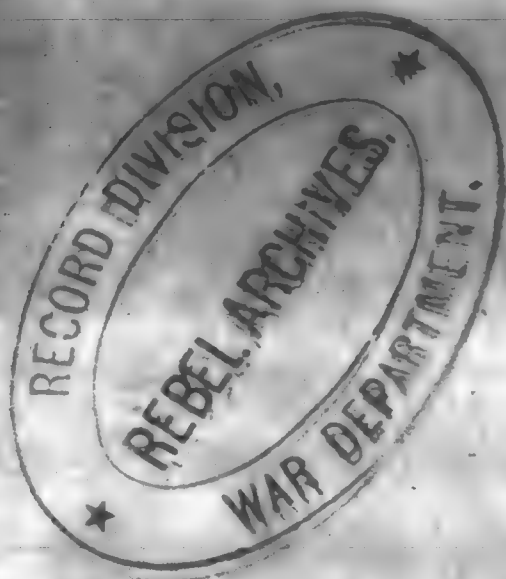

This condition of the system, in the opinion of the Board, has been brought about by a long course of treatment for a chronic complaint with which said officer has been affected.

In the opinion of the Board this officer should avoid any and all exposure to inclement weather until his lungs and system generally are fully revived, which will require a period of several months.

Wood Hospital

Nov. 14<sup>th</sup> 1864.

Genl.,

Some time since, while on duty with Braxton's Battery Artillery, Genl. Early's Command, I was taken sick and ordered to report to Hospital at Staunton, and from there was transferred to this place, where I have been in Hospital for a number of weeks, and regret having to report that my health is not sufficiently restored to admit my return to duty in the field, as will be seen by certificate of Medical Ex. Board here-  
with enclosed: but feel able to perform some light duty at post, not requiring exposure.

I have delayed reporting, hoping that I would recover my health; but as there is no probability of my doing so soon, I feel that longer delay would be culpable.

I was assigned to duty, by Col. Corley, in May last, with Braxton's Bttn. Art., but as Capt. J. H. Forbes A. 2. Co. has been reinstated and returned to duty, I presume my services will be no longer required with it. While in Hospital here, I have settled the business which, in consequence of my removal from this Dept. had remained unsettled, and have also made up and forwarded

to our office monthly and quarterly returns  
for fourth quarter '63 and first and second  
quarters '64.
